

The University Council of Mae Fah Luang University's Announcement
Re: Additional Tuition Fee Rates for Students Not Completing Studies within
the Program's Period, B.E. 2559

In order to impose tuition fees on students who have not yet completed their studies after the program fees are fully paid, by virtue of section 26 of the Mae Fah Luang University Act, B.E. 2541 with approval from the Academic Council Meeting 5/2558, dated 12 May B.E. 2558, the resolution of the Finance and Property Committee Meeting 6/2558, dated 15 December B.E. 2558 and the resolution of the University Council Meeting 6/2559, dated 25 September B.E. 2559, the announcement is as follows:

Clause 1: This announcement is titled "The University Council of Mae Fah Luang University's Announcement: Additional Tuition Fee Rates for Students Not Completing Studies within the Program's Period, B.E. 2559".

Clause 2: This announcement shall be applied to students, enrolled in the academic year 2560 onwards.

Clause 3: Should students fully pay the tuition fees as required by the curriculum but not complete their studies, the students shall make tuition fee payments as stipulated in the attachment to this announcement.

Clause 4: The president shall be in charge in accordance with this Announcement and have the authority to exercise discretion over any conflict. The president's decision is final.

The announcement is made on 26 September B.E. 2559.

-Signed-

Sampao Choosri
(Sampao Choosri)
Chairman of the University Council
Mae Fah Luang University
